

## Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

**Superior Steel, Inc.** has applied to modify the fabricated structural steel manufacturing facility located at 5225 N. National Drive, Knoxville, TN 37914. The existing facility consists of a spray coating operation, welding operation, dry abrasive blaster, and coping machine. The requested modification is to add a plasma cutting machine. A baghouse will be used for pollution control. Questions concerning the source(s) may be addressed to William Schaad at (865) 215-5900 or by e-mail at [woschaad@aqm.co.knox.tn.us](mailto:woschaad@aqm.co.knox.tn.us).

To be considered, written comments must be received no later than May 16, 2019 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to [aqm@aqm.co.knox.tn.us](mailto:aqm@aqm.co.knox.tn.us).

For further information please call (865) 215-5900.
