

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

CEMEX Construction Materials Atlantic, LLC has applied to modify the raw and finished material operations located at 6212 Cement Plant Road, Knoxville, TN 37924. The requested modification is to construct a new additives building and associated conveyance system utilizing a baghouse as a control unit. Questions concerning the source(s) may be addressed to Coby Webster at (865) 215-5900 or by e-mail at coby.webster@knoxcounty.org.

Custom Foods of America, Inc. has applied to modify the frozen foods manufacturing facility located at 3600 Pleasant Ridge Road, Knoxville, TN 37921. The requested modification is to add one (1) natural gas fired boiler. Questions concerning the source(s) may be addressed to Anna Peterson at (865) 215-5900 or by e-mail at anna.peterson@knoxcounty.org.

East Tennessee Children's Hospital has applied to modify the hospital complex located at 2018 Clinch Avenue, Knoxville, TN 37916. The requested modification is to add one (1) diesel fired emergency generator. Questions concerning the source(s) may be addressed to Anna Peterson at (865) 215-5900 or by e-mail at anna.peterson@knoxcounty.org.

To be considered, written comments must be received no later than April 16, 2020 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
