

ANNOUNCEMENT OF CANDIDATES
KNOX COUNTY PENSION BOARD ELECTION
SEAT B

The following are the individuals running for Seat B, representing the Knox County Government, for the Knox County Pension Board. The election will be held on February 14, 2019. Voting instructions will be e-mailed on Wednesday, February 13th.

Steve Cash - I am a Maintenance Superintendent for the Public Building Authority. I have worked for the Public Building Authority for 10 years. In my tenure with Knox County I have a vested interest for all employees that are contributing to this fund for financial security. I want to represent them with all the aspects that I can provide.

David Garrett Jr. – I have worked for the Knox County Clerk since 2015 and have also helped in the Knox County Trustee’s Office since 2018. I am confident I can do an excellent job if elected.

Lisa Jarrell - I have worked for Knox County for 8 years; 4 years in the Mayor’s Employee Benefits Department, followed by 4 years with Knox County Sheriff’s Office. I truly enjoy helping our employees with benefit questions and concerns. Most of my work experience has been in HR, Benefits, Accounting and Payroll. I finished college as an adult, taking a class or two at a time, while working full-time and raising a small child. My degree focused primarily on HR Training and Development. It’s important to me that whoever wins the seat on the Retirement Board be an advocate for our employees. I would be proud to serve if elected.

Lieutenant Gabe Mullinax is a proud father of three and has served the Knox County Sheriff’s Office for 22 years. He attended the Knox County Sheriff’s Office Regional Training Academy, has a Bachelor’s Degree in Criminal Justice and is a graduate of the FBI National Academy. Mullinax has served as an Officer, Detective and Supervisor within the Corrections, Patrol, and Detective Divisions. He’s an instructor in Critical Incident Stress, Conflict Resolution and Emergency Vehicle Operations.

Zack Webb - I have served the Knox County Mayor’s Office in the Information Technology Department for 15 years. Like most members of the Knox County Asset Plan, my family’s primary retirement savings interest in the plan, and a common- sense approach to investing, should have a voice on the board. If elected, I will work hard to make sure that voice is heard. Thank you for your consideration.
