

## **Public Notice**

### **Knox County Dept of Air Quality Management**

The Knox County Department of Air Quality Management has received an application for a permit to construct a new boiler and modify an existing boiler by:

### **University of Tennessee Steam Plant 1617 Lake Loudon Boulevard Knoxville, TN 37996**

The Department has developed a Construction Permit for this facility and proposes to issue this permit. The Department will receive and consider public comment regarding this proposal. Written comments will be accepted through Monday January 4, 2010. If the Department receives a written request for Public Hearing on this matter, a hearing will be held to receive oral comment at 10:00 a.m., Tuesday January 5, 2010 in the Auditorium, Knox County Health Department, 140 Dameron Avenue, Knoxville, TN. The Proposed Construction Permit may be reviewed at the Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN. For any additional information, please call (865) 215-5900.
