Advantages of a Flexible Spending Account (FSA)

A valuable pre-tax benefit with innovative services!

FlexSystem FSA increases your take-home pay by reducing your taxable income. A Flexible Spending Account (FSA) allows you to **save up to 30%** on your eligible healthcare and/or dependent care expenses every year by using **pre-tax dollars**.

Consider how much you spend on healthcare and/or dependent care expenses for you and your qualified dependents in one year:

- prescription drugs/medications
- medical/dental office visit co-pays
- eye exams and prescription glasses/lenses
- vaccinations
- daycare tuition

Why not reduce these expenses by using pre-tax dollars instead of after-tax dollars? With rising healthcare costs, ***every penny counts!*** By using pre-tax dollars, you are taxed on a lower gross salary, thereby saving money that would otherwise be spent on federal, state and FICA taxes, and thereby you ***increase your take home pay!***

Beginning in January 2013, employee salary reductions to a medical Flexible Spending Account (FSA) are limited to $2,500 per Plan year. This limit is in effect with your next medical FSA Plan that begins on or after January 1, 2013. Limits are indexed annually for inflation.

How FlexSystem Works

FlexSystem FSA is offered through your employer and is adminstered by TASC. When you choose to enroll in a FlexSystem FSA Healthcare and/or Dependent Care, you choose the dollar amount you want to contribute to each account based on your estimated expenses for the upcoming Plan Year. Your contributions will be deducted in equal amounts from each paycheck, **pre-tax**, throughout the Plan Year. ***The more your contribute to these accounts, the more you save by paying less in taxes!***

Reimbursements and the TASC Card

As you incur eligible expenses, simply submit a request for reimbursement to TASC to receive reimbursement from FlexSystem, up to the amount of your annual contribution. FlexSystem offers multiple methods for requesting a reimbursement: MyTASC Mobile App, text message, online, fax, or mail.

For additional convenience, you will be issued a **TASC Card** to directly access your FlexSystem funds when paying for eligible expenses at the point of purchase, which eliminates the need for requesting a reimbursement. On the rare occasion when you don't use your TASC Card to pay for an eligible expense, simply submit a request for reimbursement. Your reimbursement is deposited into your MyCash account. You can access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts Visa, (2) withdraw at an ATM, or (3) transfer to a personal bank account from MyCash Manager within MyTASC.

FSA Eligible Expenses

FlexSystem FSA funds may only be used for eligible expenses under your healthcare FSA and/or dependent care FSA. Some eligible expenses include:

More detailed lists can be found at www.irs.gov in IRS Publications 502 & 503. Please note insurance premiums are NOT eligible for reimbursement.

Important Considerations

FSA Funds do not Rollover:

It is important to be conservative in making elections because any unused funds left in your FSA at the close of the Plan Year are not refundable to you. You are urged to take precautionary steps, such as tracking account balances on the FlexSystem website and/or using the Interactive Voice Response System, to avoid having funds remaining in your account at year-end.

Using the Grace Period, or purchasing eligible over-the-counter items are ways to utilize leftover FSA funds.

Changing Elections During the Plan Year:

You may change your FSA elections during the Plan year only if you experience a change of status such as:

- a marriage or divorce
- birth or adoption of a child, or
- a change in employment status

Refer to the Change of Election Form (available from your employer) for a complete list of circumstances acceptable for changing elections mid-year.
