

How to Find Providers in Humana's Network

Go to www.humana.com and do the following:

- Click on “Search” in the Find a Doctor section
- Under Search by Humana Plan or member ID
 1. Coverage type – click “Insurance through your employer”
 2. Zip code – enter your zip code
 3. Network - click on National POS – Open Access
 4. Search – click to search by name, specialty, condition or all
- Click on “Search”
- You can refine your search on the next screen by distance from zip code, name, provider type, speciality, gender, accepting new patients, etc.
- You can also click on View Provider Directories at the bottom right of the screen to pull up pdf files of directories by state. The one for our specific area is called [Middle & East - National POS - Open Access - TN-27186-PS](#)
