

Vote by Mail

Do you have someone in your family, your church or your neighborhood that is homebound but still wants to vote? Have them call the Knox County Election Commission at 215-2480 and we will make arrangements to have a ballot mailed to their home. Anyone who is over 65 or who have a disability could be qualified.

Have them call today. Leave a message if it is after hours. We'll call you back.
