Delete: Attachment F Utilization Report Knox County (included in Addendum I)

The following is for Clarification:

Question 1: Would you be able to provide both Delta certificates that provide current benefits (coinsurance, annual max, deductibles, etc.). I was unable to locate the current benefits in the certificate included in the addendum.

Answer 1: Certificates of coverage were included in the RFP. Attachment B and C in Addendum I also included additional certificates of coverage.

Question 2: On the 2 Claims Reports. Does Attachment D include both Dental Plans? Attachment D states High Plan but wanted to confirm if it includes both plans.

Answer 2: Yes, Attachment D includes both. Please see the top of Attachment D in the Addendum, the subgroups are listed at the top of the page. There is also Attachment E Knox County and Attachment E Knox County Schools, they are listed at the top of the page.

Question 3: Can you confirm if the current OON reimbursement for both dental plans is based on MAC (maximum allowable charge) or a percentage of UCR? If UCR then what is the percentage used?

Answer 3: Delta Dental uses the maximum allowable charge for OON reimbursement.

Question 4: On Attachment F for Knox County the zip codes within the addendum have extra digits along with a period in the value.

Answer 4: You are correct, I have updated Attachment F for Knox County. Please see the Revised Attachment F Utilization Report Knox County at the end of the Addendum. Attachment F for Knox County Schools had no issues and will not be updated.

Question 5: Would you please send me the excel document for Attachment A Dental census?
