

Public Notice

As required by Knox County Air Quality Management Regulation (KCAQMR) Section 25.1-E, the Knox County Department of Air Quality Management (Department) is providing the public opportunity to review and comment on the following proposed construction and/or modification of air contaminant source.

Aqua-Chem, Inc. has applied to construct a natural gas-fired emergency generator at the power boiler/heat exchanger manufacturing facility located at 3001 E. Governor John Sevier Highway, Knoxville, TN 37914. Questions concerning the source may be addressed to Brian Rivera at (865) 215-5900 or by e-mail at brivera@aqm.co.knox.tn.us.

The construction permit application is available for review at the Department offices during regular business hours. To be considered, written comments must be received no later than 4:30 PM on March 1, 2018 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to the Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
