OFFICE OF COUNTY MAYOR

Department of Finance • 400 Main Street, Suite 630, Knoxville, TN 37902

November 30, 2009

To the Board of Knox County Commissioners and the Citizens of Knox County,
Tennessee

The Knox County Budget Report to the Citizenry for the fiscal year ended June 30, 2009, is hereby submitted. This is a supplementary report to the Knox County Comprehensive Annual Financial Report (CAFR). The purpose of this report is to demonstrate budgetary compliance at the legal level of control exercised by the County Commission. This separately issued report is required by generally accepted accounting principles because the CAFR's budget and actual schedules are not intended to present compliance at that level.

Responsibility for both the accuracy of the data, and the completeness and fairness of the presentations rests with Knox County (the County). To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in a manner designed to present fairly the results of operations of the County's various funds for which an official annual budget is adopted by the County Commission. The report also details the results of operations for project length budgets adopted in the capital projects funds.

This report also details the results of operations of the Knox County Board of Education (the Board), a discretely presented component unit. Component Units are legally separate entities for which the County is considered to be financially accountable. The Board is presented separately to emphasize it is legally separate from the County.

This report was generated through the efforts of the individuals in the Department of Finance. They have our sincere appreciation for their continued efforts and professionalism. The Department of Finance certainly has the County's best interest at heart. We would also extend our appreciation for the Knox County Commission's continued commitment to financial responsibility.

Sincerely,

A handwritten signature in cursive script that reads "John M. Troyer".

John M. Troyer, CPA
Senior Director of Finance

GENERAL FUND

The General Fund is used to account for resources traditionally associated with government which are not required legally or by sound financial management to be accounted for in another fund. The General Fund accounts for normal recurring activities of the County (i.e. public safety, recreation, health and welfare, general government, etc.) These activities are funded primarily by property taxes on individuals and businesses.
