**3.29.3** A copy of the signed service ticket for each item/service listed on the invoice must be included.

**3.29.4** Invoices are to be original and uniquely pre-numbered.

**3.29.5** Invoices which do not show this information are subject to rejection.

**3.30 INVOICE REVIEW:** Knox County shall review all invoices for adherence to the terms and conditions of the Contract. Variations from the Contract and Contract pricing are strictly prohibited.

Any variations found on the invoice will result in the rejection of that invoice. Rejected invoices will be returned to the Contractor for correction. If a discount for prompt payment is offered, the timeline does not commence until Knox County receives the invoice.

- 3.31 INVOICING PROCEDURES:** Knox County requests that invoices be easy to read and understand. Invoices are to be original and uniquely pre-numbered. Each participating agency to this Contract may require different invoicing information and procedures. This information and procedures shall be provided to the successful Contractor(s) prior to Contract execution. There shall be no additional charges for this information and procedures to be included. Invoices shall be sent to the "Billing" address printed on the Purchase Order. Each department or division of Knox County is responsible for its own budget. Departments cannot charge or pay bills for another department. Therefore, it is critical that your business invoices specify the department that desired to purchase from you. Do not credit payments to any other department's account. Invoices must be submitted in triplicate and must match the corresponding Purchase Order number. There shall be no component billing.
- 3.32 MATERIAL SAFETY DATA SHEETS:** Successful bidder(s) must, upon request, provide Material Safety Data Sheets (MSDS) to the County, as applicable.
- 3.33 MOST FAVORABLE PRICING:** Contractor agrees to guarantee that Knox County will receive the lowest price offered by your company for similar services and products. If at any time during the Contract period your company offers a lower price to another customer and prior notification of said price reduction is not properly communicated to Knox County, upon discovery Knox County reserves the right to take any or all of the following actions:
- 3.33.1** Cancel the Contract, if it is currently in effect;
  - 3.33.2** Determine the amount that the participating agency was overcharged and submit a request for payment from the Contractor for that amount.
- 3.34 NEWS RELEASES BY VENDORS:** As a matter of policy, Knox County does not endorse the services of a Contractor. A Contractor will not make news releases concerning any resultant contract from this solicitation without the prior written approval of Knox County.
- 3.35 NO CONTACT POLICY:** After the date and time that the vendor receives this solicitation, any contact initiated by any bidder with any Knox County representative, other than the Procurement Division representative listed herein, concerning this Invitation for Bids, is strictly prohibited. Any such unauthorized contact may cause the disqualification of the bidder from this procurement transaction.
- 3.36 NON-RESTRICTIVE CLAUSE:** When brand names, trade names or manufacturer's name or catalogue numbers appear in the specifications, it is intended to establish a performance standard. The manufacturer may request to substitute a similar product as specified in Section 1.7.
- 3.37 OFFER WITHDRAWAL:** No bid can be withdrawn after it is filed unless the bidder makes a request in writing to the Knox County Procurement Division prior to the time set for the opening of bids or unless the County fails to accept within ninety (90) business days after the date fixed for opening the Invitation for Bid.
- 3.38 ON-LINE ORDERING:** Bidders may also list a website on which the County may place orders, if available.
- 3.39 PACKAGING:** All items must be packaged separately. Each package must be clearly marked with the item name, manufacturer and model number and expiration date, if applicable.
- 3.40 PRICING:** The Contractor(s) warrants that the unit price stated for all items shall remain firm for a period of twelve (12) months from the first day of the Contract period. If the Contractor's price is increased after the initial year, Knox County must be given a written notice to consider.
- Such a request shall include as a minimum, (1) the cause for the adjustment; (2) the amount of the change requested with documentation to support the requested adjustment. Price increases will only be considered at the renewal period(s). If the price increase is rejected the vendor may:
- 3.40.1** Continue with the existing prices;
  - 3.40.2** Request a lower price increase;
  - 3.40.3** Not accept the renewal offer.

Contractor(s) must submit proof of price increase. If a price increase is approved by Knox County Procurement and the requesting department the approval notification will be done in writing and the Contractor(s) will be notified of the new price schedule and the effective date of the increase. This documentation will become part of the bid file. No approvals will be authorized verbally. Price increases must not exceed the Producer Price Index (PPI) for medical equipment and supplies manufacturing.

- 3.41 PUBLIC RECORDS ACT:** Knox County is subject to the Tennessee Public Records Act 10-7-503 et seq. Bidders are cautioned that all documents submitted on behalf of this Invitation for Bids shall be open to the public for viewing and inspection and Knox County will comply with all legitimate requests.
- 3.42 QUANTITIES:** Knox County does not guarantee any quantities will be ordered under this solicitation.
- 3.43 RECORDS:** Contractor(s) will maintain records of services provided to Knox County and make them available upon request by any of the respective participating agencies. The successful Contractor(s) shall only disclose the records of the requesting agency and not disclose other agency information.
- 3.44 REJECTION OF BIDS:** Knox County reserves the right to reject any and all bids received as a result of this request and to waive any informality, technical defect or clerical error in any bid, as the interests of the County may require. Non-acceptance of any bid will be devoid of any criticism of the bid and of any implication that the bid is deficient in any manner. Non-acceptance of any bid shall be construed as meaning simply that the County does not deem the bid to be acceptable or that another bid was deemed to be more advantageous to Knox County for the particular goods/services proposed.
- 3.45 RETURN POLICY:** Bidders must state the return policy in their response. Items must be accepted as returns if, through no fault of Knox County, they are broken, defective, incorrect items, etc.
- 3.46 SAMPLES:** Knox County reserves the right to request samples after bids are opened and before an award is made. When samples are called for, they must be furnished free of expense and if not destroyed in testing, will, upon request, be returned at the bidder's expense. A request for the return of samples must be made within ten (10) business days following the issuance of an Intent to Award. Each individual sample must be labeled with the bidder's name and manufacturer's brand name and number.
- 3.47 SUBMIT QUESTIONS:** Prospective bidders may submit questions concerning this solicitation until **December 5, 2019 at 4:30 p.m.** local time. Submit questions as noted in Section 1.1.
- 3.48 SUBSTITUTIONS:** Any substitutions must be approved by Knox County or their designee prior to delivery. Delivery of a substituted item without prior notification is at the Contractor's risk and refusal to accept the substituted item will be at the Contractor's expense.

**Note: Bidders need not return pages 1 – 11 with their response.**
