Knox County Procurement Division Addendum I to Invitation for Bids 3360 Knox County Railroad Crossing Improvements

Addendum Date: February 8, 2023

Buyer: Brian Hubbs

Opening Date: February 16, 2023 at 4:00 PM

Total Page(s): Two (2)

This addendum shall become a part of the project plans and specifications and shall be acknowledged with your bid submittal.

Questions / Answers:

Question 1: Regarding the McCampbell Drive location, no binder or stone items are shown for the area at the proposed headwall. Where do we account for that material?

Answers 1: Account for those items under the Asphalt Pavement line item.

Question 2: Is a railroad flagger required at the Jones Road crossing and the Luttrell Road crossing since both locations do not require paving?

Answer 2: No railroad flagger required for these two locations.

Question 3: Will we need to get a permit from the railroad for flaggers?

Answer 3: Yes, for the locations that require a railroad flagger.

Question 4: There is confusion on the bid sheets as to what 90% and 100% Items Sub-Total is for. What are we supposed to put in this block?

Answer 4: This block is for accounting purposes between Knox County and TDOT. You are to put your total for the line items for each location in the "Contract Total" block only.

Question 5: Is this bid set up to be awarded to the low bidder for each individual location or for one awarded bidder for all locations?

Answer 5: This bid will be awarded to one contractor meeting all requirements and the lowest total pricing of all eight locations.
