SECTION III SPECIAL TERMS AND CONDITIONS

- 3.1 INTENT:** The intent of these specifications is to set forth and convey to prospective bidders the general type, character, and quality of Vehicles for Knox County Sheriff's Office. Award will be based on Best Value. Best Value means more than low cost. It includes the initial cost, service quality and other factors detailed herein.
- 3.2 ACCEPTANCE:** Bidders are advised that the payment of an invoice does not necessarily constitute as an acceptance of services that are provided. Acceptance requires a specific written action by Knox County so stating.
- 3.3 ADDITIONS OR DELETIONS:** Knox County reserves the right to add or delete goods or services as the need arises. If items are to be added, Knox County and the Contractor will arrive at a mutually agreed price.
- 3.4 BIDDER OBLIGATION:** Each bidder shall become fully acquainted with conditions relating to the scope and restriction attending the execution of the work under this IFB. The failure or omission of a bidder to become acquainted with existing conditions shall no way relieve the bidder of any obligations with respect to this IFB or to the Contract.
- 3.5 BIDS REQUESTED ON BRANDS OR EQUAL:** Unit price bids are requested on products that equal or exceed the quality and performance of the brands and model numbers listed. References to brand names, trade names, model numbers or other descriptions of specific brand products are made to establish a required level of quality and functional capabilities, and are not intended to exclude other products of that level. Comparable products of other manufacturers will be considered if proof of comparability is contained in the bid. It shall be the responsibility of the bidders, including bidders whose product is referenced to furnish with the bid such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of a bid.
- 3.6 CHANGES AFTER AWARD:** It is possible that after award, Knox County might change its needs or requirements. Knox County reserves the right to make such changes after consultation with the vendor. Should additional costs arise, Knox County reserves the right to consider accepting these charges provided the vendor can document the increased costs. Knox County also reserves the right to accept proposed service changes from the vendor if they will lower the cost to Knox County and/or provide improved service.
- 3.7 DEALER DECALS:** No dealer decals or emblems are to be attached to the Vehicles.
- 3.8 DELIVERY LOCATION:** The Knox County Sheriff's Office will pick up all local vehicles.
- 3.9 DELIVERY TIME:** Bidders must state the number of business days until delivery after receipt of a signed Purchase Order. Bidders shall state accurate lead times as Knox County reserves the right to cancel orders with no obligation when delivery time is exceeded. Vendor must state the number of business days, not a range of days. For example, an unacceptable answer is "30-60 business days." Vendors must be specific and state either "30 business days" or "60 business days." If vendor states a range of days, Knox County will base their answer on the maximum number of days provided.
- 3.10 DESTINATION AND DELIVERY:** Bidders must include all destination and delivery charges in their price. **There will be no extra hidden charges.** Delivery must be "free on board" to the County department.
- 3.11 EVALUATION CRITERIA:** The following criteria will be used to evaluate each bid. The number represents maximum possible points in each category.

| Price | 80 points |
| Delivery Time | 20 points |
- 3.12 EVALUATION REVIEW:** Knox County (and participating entities) reserves the right to use all pertinent information (also learned from sources other than disclosed in the IFB process) that might affect the County's judgment as to the appropriateness of an award to the best evaluated bidder. This information may be appended to the bid evaluation process results. Information on a service provider from reliable sources, and not within the service provider's bid, may also be noted and made a part of the evaluation file. Knox County shall have sole responsibility for determining a reliable source.

Knox County reserves the right to conduct written and/or oral discussions/interviews after the bid closing. The purpose of such discussions/interviews are to provide clarification and/or additional information to make an award which is in the best interest of Knox County.

3.13 GRATUITIES AND KICKBACKS: It shall be a breach of ethical standards for any person or company to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therefore.

It shall be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this Contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under Knox County contracts.

3.14 INCURRED COST: Cost incurred in developing the bid or in anticipation of a award or, prior to full and final execution of the agreement is entirely the responsibility of the bidder and shall not be chargeable to Knox County or any other participating entity.

3.15 INTERPRETATION: No oral interpretation will be made to any bidder regarding the meaning of specifications or the Scope of Work. All questions are to be submitted in writing via email and will be answered in the form of an addendum to the solicitation by the Knox County Procurement Division, if applicable.

Material includes but is not limited to, raw material, parts, items, components, and end products. Bidder submission of other than new materials may be cause for the rejection of their bid.

3.17 NEWS RELEASES BY VENDORS: As a matter of policy, Knox County does not endorse the services of a contractor. A contractor will not make news releases concerning any resultant contract from this solicitation without the prior written approval of Knox County.

3.18 NO CONTACT POLICY: After the date and time the bidder receives this IFB, any contact initiated by any bidder with any Knox County (or other participating entity) representative, other than the Procurement Division representative listed herein, concerning this Invitation for Bid is prohibited. Any such unauthorized contact may cause the disqualification of the bidder from this procurement transaction.

3.19 OPEN RECORDS ACT: Knox County is subject to the Tennessee Open Records Act 10-7-503 et seq. Bidders are cautioned that all documents submitted on behalf of this Invitation for Bid shall be open to the public for viewing and inspection and Knox County will comply with all legitimate requests.
