Knox County Procurement Division Addendum II to Invitation for Bid 3428 Mobile Medical Unit

Addendum Date: July 10, 2023

Buyer: Todd Hickman

Opening Date: July 13, 2023 @ 2:00 PM

Total Page(s): TWO (2)

THE FOLLOWING IS FOR CLARIFICATION:

Question 1: Can you specify if you are expecting a manual or power exam table?

Answer 1: I confirmed with our team that electric is preferred.

Question 2: The bid is built around a bus style base vehicle. We do offer these, however we also offer a purpose built mobile medical body which offers quite a bit more room inside. If you were willing to accept a bid using the purpose built body, this would change some of the specifications but we can list those out when we supply our bid. One of the main spec differences is that you would get a manual swing out door with fold down steps instead of a bus style electric door.

Answer 2: We are looking for a unit that is easily maneuverable and accessible, hence the 24-25ft limit. If the unit is within those specifications then I think it could be considered regardless of door opening.
