Knox County Charter
Section 9.08 Conflict of Interest

A. It shall be unlawful for any member of the Commission, the Mayor, other elected office-holder, or any administrative assistant, executive assistant, head of any division or department of County Government, or any other person employed by the County to vote for, let out, overlook, or in any manner to superintend any work or contract with the County for the sale of any land, materials, supplies, or services to, or by the County, or to a contractor supplying the County, where such person has a substantial financial interest, direct or indirect, as defined by Tennessee Code Annotated, Section 12-4-101, and any subsequent amendment thereto.

B. Any person who willfully conceals such a substantial financial interest or willfully violates the requirements of this Section shall be guilty of malfeasance in office or position and shall be subject to ouster from office or termination of employment. Violation of this Section with the knowledge, express or implied, of the person or corporation contracting with or making a sale to the County shall render the contract voidable by the Mayor or the Commission.

C. Any member of the Commission who is also an employee of the County may vote on matters in which he has a conflict of interest arising from his/her employment with the County if the member informs the Commission immediately prior to the vote as follows: "Because I am an employee of (name of governmental unit), I have a conflict of interest in the proposal about to be voted. However, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and to the citizens this body represents."

D. In the event a member of the Commission has a conflict of interest in a matter to be voted upon by the body, he/she may abstain for cause by announcing such to the presiding officer.

E. The vote of any member of the Commission having a conflict of interest who does not inform the Commission of such conflict shall be void if challenged by a member of the Commission in a timely manner and ruled to be a conflict of interest by the Chair of the Commission. As used in this Section, "timely manner" shall mean during the same meeting at which the vote was cast and prior to the transaction of any further business by the body.

1. **DEFINITION OF PURCHASE ORDER:** Knox County has issued this document as permission for the vendor to ship goods or perform services as indicated on the front of this document and according to the terms and conditions of the Invitation to Bid, Bid and attachments hereto, Award, and the Knox County Procurement Code. The terms and conditions of the Invitation to Bid, Bid and the Knox County Procurement Code are incorporated herein and made a part hereof by reference. 3. **ACCEPTANCE:** Vendor's written acceptance or commencement of work or shipment or delivery of an item or service call shall constitute acceptance by the vendor of this purchase order, its terms and conditions and applicable law.
4. **ALTERATIONS OR AMENDMENTS:** No alterations, amendments, changes, modifications or additions to this Purchase Order shall be binding on Knox County without the prior written approval of Knox County.

9. **PACKING LISTS:** An itemized packing list, bearing Purchase Order number and/or requisition number shall be attached to the outside of every shipping container.
10. **INSPECTION AND ACCEPTANCE:** Final inspection of any goods or services delivered or performed hereunder shall be made at final destination, the receiving department. Knox County reserves the right to reject any or all items not in conformance with applicable specifications, and Vendor assumes the costs associated with such nonconformance. 19. **VARIATION IN QUALITY:** No variation in the quality of any items called for by this Purchase Order shall be allowed, unless such variation is caused by conditions of loading, shipping or packing or allowances in manufacturing processes, and then only to the extent, if any, set forth herein.
20. **FORCE MAJEURE:** If either party is prevented from performing its obligations hereunder as a result of government regulations, fires, strikes, or other causes beyond the control of such party, the obligations to so perform shall be suspended for a reasonable time during which such condition continues to exist. If actual or potential labor dispute delays or threatens to delay Vendor's timely performances, Vendor shall immediately notify County in writing.
21. **OFFICIALS NOT TO BENEFIT:** No employee or elected official of Knox County shall be permitted to any share or part of this Purchase Order or any benefit that may arise therefrom. Vendor agrees not to provide any gratuity in any form, including entertainment, gifts or otherwise to any employee, buyer, agent, or representative of Knox County, with a view to securing a contract, or securing favorable treatment with respect to the award or amendment, or the making of any determination with respect to the performances of any contract.
22. **DEFAULT:** If Vendor fails to perform or comply with any provision of this Purchase Order or the terms or conditions of any documents referenced and made a part hereof, Knox County may terminate this contract, in whole or part, and may consider such failure or noncompliance a breach of contract. Knox County expressly retains all its rights and remedies provided by law in case of such breach, and no action by Knox County shall constitute a waiver of any such rights or remedies. In the event of termination for default, Knox County reserves the right to purchase its requirements elsewhere, with or without competitive bidding and Vendor agrees to pay any differences in costs above those conditions in this order.
23. **TERMINATION:** County may terminate this agreement with or without cause at anytime. In the event of termination by either party, fees due for services performed or goods accepted prior to the termination date shall be paid.
24. **APPROPRIATION:** In the event no funds are appropriated by Knox County for the goods or services in any fiscal year or insufficient funds exist to purchase the goods or services, then the Purchase Contract shall expire upon the expenditure of previously appropriated funds or the end of the current fiscal year, whichever occurs first, with no further obligations owned to or by any party.
25. **COMPLIANCE WITH ALL LAWS:** Vendor is assumed to be familiar with and agrees to observe and comply with all federal, state, and local laws, statutes, ordinances, and regulations in any manner affecting the provision of goods and/or services, and all instructions and prohibitive orders issued regarding this work and shall obtain all necessary permits.
26. **INDEMNIFICATION/HOLD HARMLESS:** Vendor shall indemnify, defend, save and hold harmless Knox County, its officers, agents and employees from all suits, claims, actions, or damages of any nature brought because of, arising out of, or due to breach of the agreement by Vendor, its subcontractors, suppliers, agents, or employees or due to any negligent act or occurrence or any omission or commission of Vendor, its subcontractors, suppliers, agents or employees.

Vendor shall upon request show proof of such non-discrimination, and shall post in conspicuous places available to all employees and applicants notices of non-discrimination.
