My Notes:

A Note From Mr. Paul Johnson, AARP Driver Safety District Coordinator
After not having any in-person Smart Driver courses, nationwide, due to the lingering COVID pandemic, AARP will start to allow courses again in 2022. However, AARP will only allow classes to be held in areas with a local community transmission below 50 new cases per 100,000 people in the past 7 days. The community transmission levels can be monitored on the CDC COVID Data Tracker website at https://covid.cdc.gov/covid-data-tracker. To date, Knox County’s community transmission has not reached this level. Once our area does attain this lower level of community transmission, AARP will allow classes to be conducted. Once classes are scheduled for the West Knox County Senior Center, an announcement will be made. Participants can look forward to updated course materials. As an AARP volunteer, I look forward to everyone participating in the new Smart Driver course at the West Knox County Senior Center sometime in the future.

Paul Johnson, AARP Driver Safety District Coordinator.
We want to thank Comfort Keepers for sponsoring our Valentine’s Day Hot Chocolate Café. The table decorations were great and the choices available for the hot chocolate creations made for some delicious and most enjoyable beverages to celebrate Valentine’s Day.

We appreciate the artists for participating in our January 31st Art Show in the Hallway to commemorate Inspire Your Heart with Art Day. Everyone got to view some beautiful artwork done in oils, acrylics, watercolors, and other media. Thank you for the inspiration.
